Deepak Chopra

The curriculum build productive and ethical mindsets, English language skills, and digital literacy skills. Additionally, since nobody can really know what the careers of the future will look like FEA teaches students how to continue learning on their own after the program ends and stresses the virtue of being adaptable to workforce changes.

## PERSONAL SKILLS

- Good at organizing tasks and projects in a structured manner.
- Attentive listener and effective oral communication skills.
- A team player, good at working collaboratively with people in order to achieve a common goal.
- Adaptable to any situation. Can work in a dynamic and flexible environment.

## DECLARATION

I hereby declare that the above information is true to the best of my knowledge and belief.
